SCC Solutions Division

Our solutions division represents the "think-tank" of our company. With three area's of focus: Lean. Green and Frustration-Free. SCC Solutions is on the fore-front of progressive packaging solutions not only for today's need - but tomorrows.

- Lean.** As a licensed representative for PACKSIZE, LLC our trained consultant will value-stream map the current state of your corrugated supply-chain to uncover and eliminate all non-value added processes.
- Right-size package on-demand
 - Reduced Work Content
 - Greatly Reduced Inventory
 - Zero Tooling
 - Greatly Reduced SKU's
 - Zero Lead Time
 - Zero Obsolescence / Zero Shrink

- Green.** SmartPAK, is our patented line of next-generation retail and club store packaging. The SmartPAK offers an Eco-friendly and Frustration-Free alternative to traditional clamshell packaging and currently marketed "Eco-Packs" which use a combination of heat-sealed/laminated paperboard and plastic blister packaging.

- 100% Tree-Free
- Water Resistant
- 100% Recyclable
- No Heat Sealing
- Frustration-Free Tear Strip
- Tear Resistant

- Frustration-Free.** In addition to the patented Frustration-Free smartPAK product line, The SCC Group maintains Frustration-Free fulfillment operations in the United States as well as China.
- Assembly, Kitting, Pick n' Pack
 - Warehousing
